Scrumptious Vegetable Lasagna

2 tablespoons extra virgin olive oil
1 yellow onion, chopped fine
4 garlic cloves, minced
1 (28-oz.) can diced tomatoes
Salt and pepper
10 curly-edged lasagna noodles, broken into 2-inch lengths
1 small zucchini, cut into ½ inch chunks

Instructions
1. Mix together ricotta cheese, ½ of Parmesan cheese, parsley, nutmeg and sugar. Set aside.
2. Heat oil in the 11" Gotham skillet over medium heat until shimmering. Add onion and cook until softened, about 3 minutes. Add garlic and cook until fragrant, about 30 seconds. Drain tomatoes into a 2-cup liquid measure. Add water to tomato liquid to make 2 cups. Add tomato/water mixture and 1 teaspoon salt to skillet.
3. Scatter noodles into the skillet, layer tomatoes over the noodles and bring to a simmer. Reduce the heat to medium and cook, covered, stirring occasionally (so the noodles won’t stick!) for about 10 minutes.
4. Stir in zucchini and yellow squash, cook, stirring now and then, until noodles and squash are tender, about 8 minutes. Add basil and half of the ricotta mixture and other half of the Parmesan cheese to the noodles, stirring until the sauce is creamy. Dollop remaining ricotta cheese mixture over the noodles, season with salt and pepper, and sprinkle with extra Parmesan cheese.

Individual Skillet Pizzas

In a small bowl, stir together the lukewarm water, yeast and sugar. Let stand until foamy, 3 to 5 minutes.

2. Using a standing mixer, mix the flour and salt at low speed. Mix in the yeast mixture and olive oil until a shaggy dough forms. Change to the dough hook attachment and mix at medium speed until smooth, about 6 minutes.

3. Transfer the dough to a greased, large mixing bowl, turning to coat; cover with plastic wrap and let rise until doubled in size, 45 minutes to 1 hour. Punch down the dough before using.

NOTE: For whole wheat dough, use ¾ cup whole wheat flour and 1 ½ cups all-purpose flour.

Instructions

1. Quarter the dough (recipe below) and shape into balls. Place on a lightly floured surface, cover with a kitchen towel and let stand at room temperature for 30 minutes.

2. Heat the 9 ½” Gotham skillet over medium heat for 10 minutes (Make sure you have a lid).

3. Flatten 1 piece of dough, then stretch into a 9-inch round. Add 1 tbsp. extra-virgin olive oil to the skillet, tilting to coat. Carefully lay the dough in the bottom of the pan and cook for 1 ½ minutes. Using a metal spatula, flip the dough, then cover and cook until the bottom is brown, about 3 minutes. Turn the dough again and, working quickly, spread ¼ cup of the tomato sauce on top. Sprinkle with ½ cup of the cheese, top with choice of toppings, then cover and cook until the cheese melts, about 1 minute longer.

4. Transfer the pizza to a cutting board let sit 5 minutes to cool. Wipe out the pan and repeat with the remaining ingredients.
